

SECOND ANNOUNCEMENT

II. International Plant Breeding Congress EUCARPIA Oil and Protein Crops Section Conference

www.intpbc2015.org

1-5 NOVEMBER, 2015 ANTALYA, TURKEY

General Information

With the valuable contributions, the first plant breeding congress was successfully organized in November 2013. Upon your intensive request, we have the honor to organize The Second International Plant Breeding Congress along with EUCARPIA-Oil and Protein Crops Section Conference in this time.

The Second International Plant Breeding Congress and EUCARPIA-Oil and Protein Crops Section Conference will jointly be hosted by The Plant Breeders Union of Turkey (BISAB) and Oil and Protein Crops Section of EUCARPIA in cooperation with Turkish Plant Breeders Association (TUBİD), Turkish Seed Union (TURKTOB), ECO Seed Association (ECOSA) and several other national and international partners. We intended to bring interested researchers, breeders and private companies together in a friendly environment of Antalya, Turkey to share what they have and get benefit from each other.

Venue

The Congress will take place in WOW Kremlin Palace Hotel with five-star and ultra-all-inclusive concept in Antalya, Turkey. The detailed information about the hotel can be reached by www.wowhotels.com

Subjects

The topics which will be held in the Congress are “Plant Breeding”, “Molecular Genetics and Biotechnology”, “Genetic Engineering and Genomics”, “Genetic Resources for Plant Breeding” and “Oil and Protein Crops”.

Congress Highlights

Conventional and molecular breeding, Molecular biology, Plant genetic resources, Intellectual property rights (including ABS), Horticultural crops, Field crops Oil and protein crops, Bioenergy, Epigenetics and crop improvement Breeding for abiotic and biotic stress factors, Breeding for quality traits, Plant biotechnology

Language

In order to reach a wider audience and participants, the official languages of the Congress are Arabic, English, Russian, Spanish and Turkish. Simultaneous translation on these languages will be available during the congress if the number of participants requesting translation from above mentioned languages is more than 30.

Instructions for Abstract Submission

Abstracts could be in any of the congress languages. If abstract submitted in Arabic, Russian, Spanish and Turkish, an English translation of abstract is also requested. Abstracts shall not exceed 250 words. Abstract submissions have been started on May 1st and will end September 20th 2015 via the Congress website. Maximum two abstracts could be sent by each participant (One oral, one poster or two posters).

All accepted abstracts will be published in the abstract book online and will be distributed to each participant in a special CD or memory card. Accepted abstracts will be made available on the Congress web page.

Full papers, selected among the presentations by the Scientific Committee will be published in the Ekin Journal of Crop Breeding and Genetics after the Congress (www.ekinjournal.com).

Important Dates

Event	Start	End
Submission of Abstracts	1st May 2015	20th September 2015
Early Registration	1st March 2015	20th September 2015
Late Registration	20th September 2015	30th October 2015
Onsite Registration	31st October 2015	5th November 2015
Announcement of Scientific Program		16th October 2015
The Congress	1st November 2015	5th November 2015

Invited Speakers (*In alphabetical order*)

SPEAKER	ORGANIZATION	SUBJECT
Evgeny Zuev	N.I Vavilov Institute of Plant Genetik Resources	Wheat Breeding
Giovanni Della Porta	SYNGENTA	Artesian Approach in Maize Breeding
Hamit Köksel	Hacettepe University	Cereal Science & Technology
Hans Braun	CIMMYT	Wheat Breeding
Hisashi Tsujimoto	Arid Land Research Center	Chromosome Engineering
Istvan Rajcan	University of Guelph	Soybean Breeding
Nebahat Sari	Cukurova University	Vegetable Breeding
Peter Hanson	AVRDC	Tomato Breeding
Rajeev K. Varshney	ICRISAT	Next Generation Sequencing and GBS
Susan K. Brown	Cornell University	Apple Breeding
Vehbi Eser	BISAB	Genetic Resources
Wybe Van Der Schaar	RIJK ZWAAN	Vegetable Breeding
Zetian Hua	China National Rice R&D Center	Hybrid Rice Breeding

Registration and Accommodation

Registration fee includes access to scientific sessions, congress CD and/or memory stick and other congress materials. Congress registration can be made by the Congress web page.

Registration Details:

	Registration		
	Early Until 06 September 2015	Late After 06 September 2015	On-site
Research Assistant, Student	175 Euro	240 Euro	290 Euro
Participant	300 Euro	425 Euro	475 Euro
EUCARPIA Member	250 Euro	375 Euro	425 Euro

Accommodation fee covers all meals and drinks and, including breakfast, lunch, dinner and coffee breaks, activities at the WOW Kremlin Palace Hotel. The prices below are ultra-all-inclusive and valid for the congress dates (1-5 November). Extra accommodation requests will be evaluated according to the hotel availability.

Accommodation Details:

	Room Types	Daily Prices
Standart Room	Single Room	85 Euro
	Double Room (Per Person)	60 Euro
	Triple Room (Per Person)	56 Euro
Duplex Room	Triple Room (Per Person)	60 Euro
	Quad Room (Per Person)	57 Euro

Dr. Vehbi ESER	Assoc. Prof.Yalçın KAYA	Prof. Bülent UZUN
Head of Organizing Committee	President of BISAB	Chair of Oil and Protein Crops Section of EUCARPIA

Secretariat		
Mustafa Akın	Congress Secretary	+ 90 312 433 30 65-66
